Effective for taxable years beginning on or after **January 1, 2017**, a business, trade, profession, or occupation carried on in Connecticut and outside of Connecticut must apportion its income using a single factor gross income percentage. Businesses must source receipts from the sales of services and intangible property on a market basis. Receipts from the rental, lease, or license of tangible personal property are sourced according to the location of the property. Receipts from the sale of tangible personal property continue to be sourced based upon the location of the purchaser. See **Special Notice 2017(1), Legislative Changes Regarding Single-Sales Factor Apportionment and Market-Based Sourcing**.

Complete only if all of the following apply:

- There are one or more nonresident noncorporate members or one or more members that are PEs;
- The PE carries on business both within and outside Connecticut; **and**
- The PE does not maintain books and records that satisfactorily disclose the portion of income, gain, loss, or deduction derived from or connected with Connecticut sources.

The apportionment fraction calculated on Line 8 is used to complete Part 6.

If the PE maintains books and records that satisfactorily disclose the portion of income, gain, loss, or deduction derived from or connected with Connecticut sources then those amounts must be used to complete Part 6.

Do not include in Part 2 any factors that are associated with the rental of real property or gain or loss from the sale, exchange, or other disposition of real property under Conn. Agencies Regs. § 12-711(b)-8. Any such income, gain, loss, and deduction derived from or connected with Connecticut sources must be used to complete Part 6. If receipts from the sale of tangible personal property are excluded from the sales factor, the net gain (or loss) from such sale should be allocated to the state where the property is located and is not subject to apportionment. The apportionment fraction is calculated using only those factors directly related to the PE filing the return. Factors from subsidiary PEs should not be included.

Part 2 must be completed even if an approved alternative apportionment method under Conn. Agencies Regs. §§ 12-711(b)-15 and 12-712(d)-1 is used. Complete a detailed explanation of the approved alternative apportionment method used to determine the Connecticut income.

8. Corporate member	CM

Use corporate member code for each member which is a: C corporation for federal income tax purposes, LLC which has elected to be taxed as a C corporation for federal income tax purposes, real estate investment trust, real estate mortgage investment conduit, regulated investment company, individual retirement account described in 26 U.S.C. § 408(a), trust described in 26 U.S.C. § 401(a), or organization exempt from federal income tax (including organizations described in 26 U.S.C. § 501(c) or (d)).

Enter each member's name and address, Member Type Code, FEIN or SSN (whichever is applicable), and percentages of profit sharing, loss sharing, and capital ownership. Enter as a decimal and carry to six places. The sum of the percentages of all members must equal 100% (1.000000).

The PE must use the same member number assigned to a member in Part 4 when providing information for that member in other Parts of Form CT-1065/CT-1120SI. The residency status of the member will determine which Part(s) of Form CT-1065/CT-1120SI must be completed for that member.

Example 1: Mary Smith is a resident individual and is identified as Member #15 in Part 4. Mary must also be identified as Member #15 in Part 5. However, because Mary is a resident individual, there is no entry in Part 1 and Part 6 for Member #15.

Example 2: X Inc. is a corporate member and is identified as Member #49 in Part 4. Because X Inc. is a C corporation, there is no entry in Part 1, Part 5, Part 6, and Part 8 for Member #49.

If there are more than four members, use Form CT-1065/CT-1120SI Supplemental Attachment.

Part 5 – Member's Share of Connecticut Modifications

Complete Part 5 for all noncorporate members or PEs. **Assign each member the same number** for Part 1, *Schedule B*, and Parts 4 through 8.

Enter each member's share of Lines 1 through 13.

If there are more than three members, use Form CT-1065/CT-1120SI Supplemental Attachment. Regardless of whether Form CT-1065/CT-1120SI Supplemental Attachment is used, add and enter the totals for all members on Form CT-1065/CT-1120SI, Part 5, *Totals for All Members* column.

Additions

Enter the amount of each member's share as a positive number.

Line 1: Interest on state and local government obligations other than Connecticut

Enter the amount of each member's share of interest income derived from state and municipal government obligations, other than obligations of the State of Connecticut or its municipalities, which interest income is not taxed for federal income tax purposes. Line 2: Mutual fund exempt-interest dividends from non-Connecticut state or municipal government obligations

Enter the amount of each member's share of exempt-interest dividends received from a mutual fund derived from state and municipal government obligations other than obligations of the State of Connecticut or its municipalities. If the exempt-interest dividends are derived from obligations of Connecticut and other states, enter only the percentage derived from non-Connecticut obligations. Do not enter exempt-interest dividends derived from government obligations of Puerto Rico, Guam, American Samoa, or U.S. Virgin Islands.

Example: A fund invests in obligations of many states, including Connecticut. Assuming that 20% of the distribution is from Connecticut obligations, the remaining 80% is added back on this line.

Line 3: Certain federal deductions relating to income exempt from Connecticut income tax

Enter the amount of each member's share of the amount deducted for federal income tax purposes for:

- Interest expense on loans used to buy bonds and securities whose interest is exempt from Connecticut income tax;
- Expenses related to income exempt from Connecticut income tax; **and**
- Amortizable bond premium on any bond, the interest from which is exempt from Connecticut income tax.

Line 4: Section 168(k) federal bonus depreciation allowed for property placed in service during this year

Enter 100% of the amount of Section 168(k) bonus depreciation allowed for property placed in service during this taxable year for federal purposes.

Line 5: 80% of Section 179 federal deduction

Enter 80% of the amount of Section 179 deduction allowed for federal purposes.

Line 6: Other

Use Line 6 to report the amount of each member's share of additions to income not listed on Lines 1 through 5. For example, include the amount of each member's share of:

- Any loss recognized on the sale or exchange of bonds or other obligations of the State of Connecticut or its municipalities;
- The PE's share of any positive Connecticut fiduciary adjustment received from a trust or estate of which the PE is a beneficiary;
- Any interest or dividend income on federal obligations or securities exempt from federal income tax and which federal law does not exempt from state income taxes;

- To the extent deductible in determining federal adjusted gross income, expenses paid for the production or collection of Connecticut tax-exempt income or paid for the management, conservation, or maintenance of property held for the production of the income;
- Add back, to the extent not properly includible in gross income for federal income tax purposes, any compensation required to be recognized under 26 U.S.C. § 457A that is attributable to services performed within Connecticut; **and**
- Add back the following distributions from an MRA established pursuant to Conn. Gen. Stat. § 32-9zz:
 1. 100% of any distribution from such MRA not used to purchase machinery or equipment for use in Connecticut or manufacturing facilities, as defined in Conn. Gen. Stat. § 12-81(72), or for workforce training, development or expansion in Connecticut; **and**
 2. 100% of any return of money remaining in the MRA at the end of the five-year period after such account's creation or organization, including any interest earned.

Subtractions

Enter the amount of each member's share as a positive number.

Line 7: Interest on U.S. government obligations

Enter the amount of each member's share of interest income derived from U.S. government obligations, to the extent included in federal adjusted gross income, that federal law prohibits states from taxing, for example, all U.S. government bond interest such as Savings Bonds Series EE and Series HH or U.S. Treasury bills and notes.

Do not enter the amount of interest earned on Federal National Mortgage Association (Fannie Mae) bonds, Government National Mortgage Association (Ginnie Mae) bonds, and Federal Home Loan Mortgage Corporation (Freddie Mac) securities. Federal law does not prohibit states from taxing income derived from these obligations and this interest is taxed by Connecticut. See **Policy Statement 2005(2)**, *Connecticut Income Tax on Bonds or Obligations Issued by the United States Government, by State Governments, or Municipalities*.

Line 8: Exempt dividends from certain qualifying mutual funds derived from U.S. government obligations

Enter the amount of each member's share of exempt dividends received from a qualifying mutual fund and derived from U.S. government obligations. A mutual fund is a qualifying fund if, **at the close of each quarter of its taxable year**, at least 50% of the value of its assets consists of U.S. government obligations. The percentage of dividends that are exempt dividends should be reported to the PE by the mutual fund.

Do not enter the amount of income derived from Federal National Mortgage Association (Fannie Mae) bonds, Government National Mortgage Association (Ginnie Mae) bonds, and Federal Home Loan Mortgage Corporation (Freddie Mac) securities. Federal law does not prohibit states from taxing income derived from these obligations and this income is taxable for Connecticut income tax purposes.

Example: A qualifying mutual fund pays a dividend of \$100. Of the \$100 distribution, 55% is attributable to U.S. Treasury bills and 45% to other investments. The amount reported on Line 8 is \$55.

Line 9: Certain expenses related to income exempt from federal income tax but subject to Connecticut tax

Enter the amount of each member's share of interest expense on money borrowed to purchase or carry bonds or securities, whose interest income is subject to Connecticut income tax but exempt from federal income tax, provided this interest was a business expense for the federal taxable year and was not deducted in determining the PE's income.

Line 10: 25% of Section 168(k) federal bonus depreciation added back in preceding four years

Enter 25% of the Section 168(k) deduction that was added back by the PE in the four preceding taxable years.

Do not apportion using the current year's apportionment fraction. Enter 25% of the Connecticut source portion of the Section 168(k) deduction that was added back by the PE on Form CT-1065/CT-1120SI in the four preceding years.

Line 11: 25% of Section 179 federal deduction added back in preceding four years

Enter 25% of Section 179 deduction that was added back by the PE in the four preceding years.

Do not apportion using the current year's apportionment fraction. Enter 25% of the Connecticut source portion of the Section 179 deduction that was added back by the PE on Form CT-1065/CT-1120SI in the four preceding years.

Line 12: Ordinary and necessary business expenses for taxpayers licensed under Chapter 420f or 420h that are not claimed for federal income tax purposes.

For entities that are licensed under Chapter 420f or 420h of the Connecticut General Statutes, enter the amount of ordinary and necessary business expenses allowed under IRC § 162 in determining the Connecticut tax liability.

Line 13: Other

Report the amount of each member's share of subtractions not listed on Lines 7 through 12. For example, include the amount of each member's share of:

- Any gain recognized on the sale or exchange of bonds or other obligations issued by the State of Connecticut or its municipalities;
- Interest income from federally taxable Connecticut bonds include any Build America Bond tax credit amount if the Build America Bond, as described in section 1531 of the American Recovery and Reinvestment Act of 2009, was issued by the State of Connecticut or a Connecticut political subdivision, and only to the extent the credit amount is treated as interest includible in gross income for federal income tax purposes.
- The PE's share of any negative Connecticut fiduciary adjustment received from a trust or estate of which the PE is a beneficiary;
- Any refund or credit for the overpayment of income taxes imposed by any state of the United States, a political subdivision of the United States, or the District of Columbia to the extent the amount was included in federal adjusted gross income;
- Business expenses incurred in connection with the income or property held to produce income subject to Connecticut income tax but exempt from federal income tax provided these expenses were not deducted in determining PE income;
- Amortization of bond premium on any bond that provides interest income taxable in Connecticut but exempt from federal income tax provided this amortization was business expense for the taxable year and was not deductible in determining PE income;
- Subtract contributions made to an MRA established pursuant to Conn. Gen. Stat. § 32-9zz; **and**

- Bioscience Venture Capital Subtraction as calculated on **Schedule CT-BIO**, *Bioscience Worksheet*.

Part 6 – Connecticut-Sourced Portion of Items From Federal Schedule K-1, Form 1065, or Form 1120S

Complete Part 6 for all nonresident noncorporate members, and each member that is a PE. Assign each member the same number for Part 1, *Schedule B*, and Parts 4 through 8.

If there are more than three members, use Form CT-1065/CT-1120SI Supplemental Attachment. Regardless of whether Form CT-1065/CT-1120SI Supplemental Attachment is used, add and enter the totals for all members on Form CT-1065/CT-1120SI, Part 6, *Total for All Members* column.

Any PE carrying on business only in Connecticut must combine the amounts reported in Part 1, *Schedule C*, Column C, with the income from subsidiary PEs (Part 1, *Schedule D*, Column B), if any, to calculate the amount of each member's Connecticut-sourced income (loss) to be reported in Part 6.

Any PE carrying on business both within and outside Connecticut must apportion the amounts reported in Part 1, *Schedule C*, Column C, and then combine the apportioned amounts with the income from subsidiary PEs (Part 1, *Schedule D*, Column B), if any, to calculate the amount of each member's Connecticut-sourced income (loss) to be reported in Part 6.

If the PE maintains books and records that satisfactorily disclose the portion of income, gain, loss, or deduction derived from or connected with Connecticut sources, combine the amount disclosed in the books and records with the income from subsidiary PEs (Part 1, *Schedule D*, Column B) to calculate the amount of each member's Connecticut-sourced income (loss) reported in Part 6.

The character of the income (loss) for Connecticut income tax purposes must mirror the character of the income (loss) for federal income tax purposes.

The amounts entered on Lines 1 through 13 should also reflect the amount of the member's share of Connecticut modifications as reported on Part 5, Lines 1 through 13, to the extent the modifications are derived from or connected with Connecticut sources.

Line 1: Ordinary business income (loss)

Enter the Connecticut portion of each member's share of nonseparately stated income or loss.

A PE that maintains books and records that satisfactorily disclose the portion of its nonseparately stated income or loss derived from or connected with Connecticut sources must enter on Line 1 in the appropriate column the amount of each member's share of that nonseparately stated income

or that nonseparately stated loss as determined from those books and records. The portion of the PE's nonseparately stated income or loss derived from or connected with Connecticut sources, as determined from the PE's books and records, is multiplied by the member's share (%) of that income or loss.

A PE that does not maintain books and records that satisfactorily disclose the portion of its nonseparately stated income or loss derived from or connected with Connecticut sources must use the apportionment fraction computed on Part 2, Line 8, or an authorized alternative apportionment method to determine the portion of any item derived from or connected with Connecticut sources. If the PE does not have income from subsidiary PEs, then multiply the amount of each member's share of nonseparately stated income or nonseparately stated loss by the PE's apportionment fraction as reported on Part 2, Line 8, and enter the result on Part 6.

Example 1: Assume that a PE, whose nonseparately stated income is entirely derived from its retail business, maintains books and records that satisfactorily disclose the portion of the income derived from or connected with each of its retail stores (including its stores in Connecticut). Assume the PE has nonseparately stated income of \$500,000. Member #1's share of the PE's nonseparately stated income is 10% and the PE's books and records disclose that the portion of its nonseparately stated income derived from or connected with Connecticut sources is \$150,000. The PE must enter \$15,000 ($\$150,000 \times .10$) on Line 1 as the amount of Member #1's share of the PE's nonseparately stated income derived from or connected with Connecticut Sources.

Example 2: The facts are the same as in Example 1 except that the PE does not maintain books and records that satisfactorily disclose the portion of its nonseparately stated income derived from or connected with each of its retail stores. Assume that the PE's apportionment fraction as reported on Part 2, Line 8, is 40%. The PE must enter \$20,000 ($(\$500,000 \times .10) \times .40 = \$20,000$) on Line 1 as the amount of Member #1's share of the PE's nonseparately stated income derived from or connected with Connecticut sources.

Line 2: Net rental real estate income (loss)

Enter the Connecticut portion of the amount of the member's share attributable to rental activities (gain or loss). The Connecticut portion of amounts attributable to real property located in Connecticut is 100%. The Connecticut portion of amounts attributable to real property located outside Connecticut is 0%.

Line 3: Other net rental income (loss)

Enter the Connecticut portion of the amount of the member's share attributable to rental activities (gain or loss). Unless the PE maintains books and records that satisfactorily disclose

the portion of income, gain, loss, or deduction derived from or connected with Connecticut sources and the PE does not have income from subsidiary PEs, the Connecticut portion is calculated by multiplying the amount of the member's share of the amount from federal Schedule K-1 by the apportionment fraction on Part 2, Line 8.

Line 4: Guaranteed payments (partnerships and LLCs treated as partnerships only)

Enter the Connecticut portion of the amount of each member's share of guaranteed payments made to the member. Unless the PE maintains books and records that satisfactorily disclose the portion of income, gain, loss, or deduction derived from or connected with Connecticut sources, the Connecticut portion is calculated by multiplying the amount of the member's distributive share of guaranteed payments from federal Form 1065, Schedule K-1, by the apportionment fraction on Part 2, Line 8.

Line 5: Interest income

Enter the Connecticut portion of the member's share of interest income. Items of income, gain, loss, and deduction derived from or connected with sources within Connecticut do not include items attributable to intangible personal property except to the extent the intangible personal property is employed in a business, trade, profession, or occupation carried on in Connecticut. Unless the PE maintains books and records that satisfactorily disclose the portion of the interest income derived from or connected with Connecticut sources and the PE does not have income from subsidiary PEs, the Connecticut portion is calculated by multiplying the amount of the member's share of the income from federal Schedule K-1 by the apportionment fraction entered on Part 2, Line 8.

Line 6a: Ordinary dividends

Enter the Connecticut portion of the member's share of dividend income. Items of income, gain, loss, and deduction derived from or connected with sources within Connecticut do not include items attributable to intangible personal property except to the extent the intangible personal property is employed in a business, trade, profession, or occupation carried on in Connecticut. For example, dividends from stock used as collateral to secure a business loan (for a Connecticut business) would be income from intangible personal property employed in a Connecticut trade or business and therefore would be subject to Connecticut income tax. Unless the PE maintains books and records that satisfactorily disclose the portion of the dividend income derived from or connected with Connecticut sources and the PE does not have income from subsidiary PEs, calculate the Connecticut portion by multiplying the amount of the member's share of the income from federal Schedule K-1 by the apportionment fraction entered on Part 2, Line 8.

Line 7: Royalties

Enter the Connecticut portion of the member's share of royalty income. Items of income, gain, loss, and deduction derived from or connected with sources within Connecticut do not include items attributable to intangible personal property except to the extent the intangible personal property is employed in a business, trade, profession, or occupation carried on in Connecticut. Unless the PE maintains books and records that satisfactorily disclose the portion of the royalties income derived from or connected with Connecticut sources and the PE does not have income from subsidiary PEs, calculate the Connecticut portion by multiplying the amount of the member's share of the income from federal Schedule K-1 by the apportionment fraction entered on Part 2, Line 8.

Line 8: Net short-term capital gain (loss)

Enter the Connecticut portion of the member's share of net short-term capital gain (loss). If the amount relates to the sale of real property located in Connecticut, the capital gain (loss) is 100% sourced to Connecticut. Items of capital gain (loss) attributable to intangible personal property (such as the sale of stock) are not sourced to Connecticut except to the extent the intangible personal property is employed in a business, trade, profession, or occupation carried on in Connecticut.

Certain short term gains and losses from the sale or disposition of an interest in an **entity** that owns, directly or indirectly, real property in Connecticut is considered Connecticut sourced income.

Entity means a partnership, limited liability company, or S corporation.

Line 9a: Net long-term capital gain (loss)

Enter the Connecticut portion of the member's share of net long-term capital gain (loss). If the amount relates to the sale of real property located in Connecticut, the capital gain (loss) is 100% sourced to Connecticut. Items of capital gain (loss) attributable to intangible personal property, such as the sale of stock, are not sourced to Connecticut except to the extent the intangible personal property is employed in a business, trade, profession, or occupation carried on in Connecticut.

Certain long term gains and losses from the sale or disposition of an interest in an **entity** that owns, directly or indirectly, real property in Connecticut is considered Connecticut sourced income.

Entity means a partnership, limited liability company, or S corporation.

Line 10: Net section 1231 gain (loss)

Enter the Connecticut portion of the member's share of gain (loss) under IRC § 1231.

The Connecticut portion of amounts attributable to real property located in Connecticut is 100%. The Connecticut portion of amounts attributable to real property located outside Connecticut is 0%.

If the gain (loss) is not attributable to a real property and the PE does not maintain books and records that satisfactorily disclose the portion of income, gain, loss, or deduction derived from or connected with Connecticut sources and the PE does not have income from subsidiary PEs, then the Connecticut portion of the member's share of the gain (loss) is calculated by multiplying the amount of the member's share of gain (loss) under IRC § 1231 from federal Schedule K-1 by the apportionment fraction on Part 2, Line 8.

Line 11: Other income (loss)

Enter the Connecticut portion of the member's share of other items of income, gain, loss, or deduction not included on Lines 1 through 10 above. Attach a statement that separately identifies the type and amount of income or loss.

Unless the PE maintains books and records that satisfactorily disclose the portion of income, gain, loss, or deduction derived from or connected with Connecticut sources, and the PE does not have income from subsidiary PEs, the Connecticut portion is calculated by multiplying the amount of the member's share of the other income from federal Schedule K-1 by the apportionment fraction on Part 2, Line 8.

Line 12: Section 179 deduction

Enter the Connecticut portion of the member's share of the deduction allowed under IRC § 179.

Unless the PE maintains books and records that satisfactorily disclose the portion of income, gain, loss, or deduction derived from or connected with Connecticut sources and the PE does not have income from subsidiary PEs, the Connecticut portion is calculated by multiplying the amount of the member's share of the deduction from federal Schedule K-1 by the apportionment fraction on Part 2, Line 8.

Line 13: Other deductions

Enter the Connecticut portion of the member's share of other deductions not deducted in arriving at ordinary income (loss) from trade or business activities and separately stated on the federal Schedule K-1. For nonresident individual and PE members only, deductions that are deemed to be itemized deductions for federal income tax purposes should not be included as part of other deductions in determining Connecticut-sourced income.

Unless the PE maintains books and records that satisfactorily disclose the portion of income, gain, loss, or deduction derived from or connected with Connecticut sources and the PE does

not have income from subsidiary PEs, the Connecticut portion is calculated by multiplying the amount of the member's share of the deduction from federal Schedule K-1 by the apportionment fraction on Part 2, Line 8.

Attach a statement that separately identifies the type and amount of each deduction.

Complete Part 7 for all members. Include the amounts reported on Schedule CT K-1, Part 5, Lines 2 through 5, Column B, issued by a subsidiary PE. Assign each member the same number for Part 1, *Schedule B*, and Parts 4 through 8.

If there are more than three members, use Form CT-1065/CT-1120SI Supplemental Attachment. Regardless of whether Form CT-1065/CT-1120SI Supplemental Attachment is used, add and enter the totals for all members on Form CT-1065/CT-1120SI, Part 7, *Totals for All Members* column.

Signature

Amended Form CT-1065/CT-1120SI or returns filed by taxpayers that were granted a waiver from electronically filing, must be signed by a general partner or corporate officer. Provide a telephone number.

Paid Preparer Signature

A paid preparer must sign and date Form CT-1065/CT-1120SI. Paid preparers must also enter their Personal Taxpayer Identification Number (PTIN), their firm's Federal Employer Identification Number (FEIN), and their firm's address and telephone number in the spaces provided.

Paid Preparer Authorization

If the PE wishes to authorize DRS to contact the paid preparer who signed the 2024 tax return to discuss it, check the **Yes** box in the signature area of the return. This authorization applies only to the individual whose signature appears in the paid preparer's signature section of the return. It does not apply to the firm, if any, shown in that section.

If the **Yes** box is checked, the PE authorizes DRS to call the paid preparer to answer questions that may arise during the processing of the 2024 Form CT-1065/CT-1120SI. The PE also authorizes the paid preparer to:

- Give DRS any information missing from the return;
- Call DRS for information about processing the PE's return or the status of the PE's refund or payment; **and**
- Respond to certain DRS notices the PE may have shared with the preparer regarding math errors, offsets, and return preparation. The notices will not be sent to the preparer.

The PE is not authorizing the paid preparer to receive any refund check, bind the PE to anything (including additional tax liability), or otherwise represent the PE before DRS. The authorization cannot be revoked. However, the authorization will automatically end no later than the due date (without regard to extensions) for filing the 2025 Connecticut Composite Income Tax Return. This is on or before the fifteenth day of the third month following the close of the taxable period.

Keep a copy of this return for the PE's record.
